

**Hello our dear friend!**

We want to share with you some inspiring words from the Bible: "If God is for us, who can be against us?" (Romans 8:31). Each of us is in a weekly battle, let these words remind us of the power of faith in God.

With His support we can overcome any obstacle. When we trust and rely on God's guidance, we gain confidence and strength to achieve our goals. Our partnership, based on mutual support, prayer, trust and faith in God, makes us stronger.

Thank you that we are one team, thank you for praying for us and investing in the expansion of the Kingdom of God in Moldova. May the Holy Spirit inspire us to move forward with confidence and determination. Thank you for your trust and love for our family. Together, with faith in God, we can do a lot, we are strong in Him and let's remember that no matter what situation we are in, if He is for us, then it doesn't matter who what is against us!

In the context of the above at the end of May, we held a Church Retreat with our network of home churches, where we accepted the challenge to believe that God can do more than we can imagine. This retreat was a time of special inspiration and spiritual renewal. We were delighted to see families and multitudes of people suspend their daily routines to rethink their values and strengthen their faith in God.

This event reminded us that we are capable of accomplishing so much more if we trust God's plan and vision. We saw people open up to new possibilities, rethink their goals, and find the strength to do great things for our Heavenly Father.

**Please pray :** 1. That all retreat participants continue to grow in faith and trust in God. 2. That families put spiritual values first and remain united. 3. That the retreat experience and the Holy Spirit continue to inspire and renew us spiritually every day.

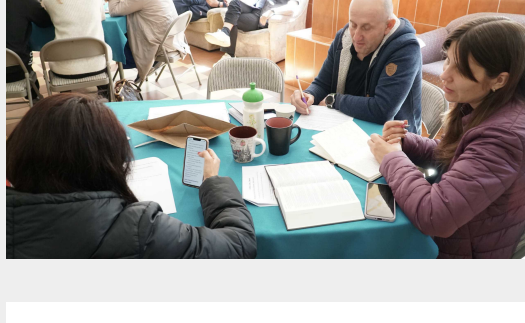

**Another blessed event :** We also had another event that we recently held in Moldova - a spiritual Retreat for ministry leaders in home Churches and groups. It was a time when we came together to discuss how ministerial families can successfully lead in Christ's ministry and in His power. A theologian and a doctor of divinity were invited to the retreat to present all of these topics.

This retreat was a special moment for us because we were able not only to exchange experiences and ideas, but also to strengthen our spiritual ties. We discussed how we can keep harmony and unity in our families so that our ministry can be more effective and inspiring. We were about 70 servant-leaders, and together we looked for ways to support each other in our ministry in Moldova, to create conditions for growth and spiritual development in our communities. It was not just a retreat, but a source of new energy and motivation for all of us.

We thank you for your support and the importance you place on our ministry. Your partnership helps us create these opportunities and impact the lives of people in Moldova.

**Please continue to pray :** 1. For spiritual strengthening: That the participants will continue to grow in knowledge and fulfillment of God's will. And that the insights gained will find practical application in their ministries and families. 2. That the ministry of pastors and missionaries will bear much fruit for God's kingdom. 3. For wisdom and strength: That we may continue to serve with effectiveness and faithfulness.

**Another event M4- Europe :** With immense joy and gratitude, we share the wonderful news about our recent international conference, M4 (<https://m4europe.org/>), on church multiplication partnership held in Norway! This event was a true blessing and a testimony to the power of God's work among us. The conference brought together leaders and servants from all over the European continent. We prayed, learned, shared experiences, and visions together, all under the guidance and inspiration of the Holy Spirit.

**Incredible moments of the conference:**

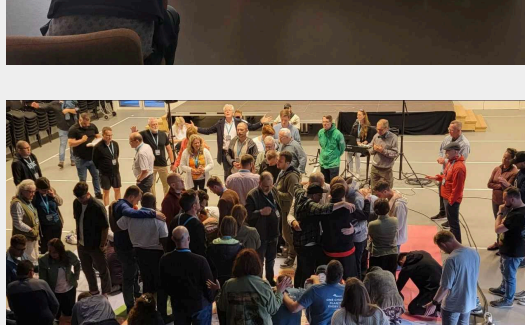

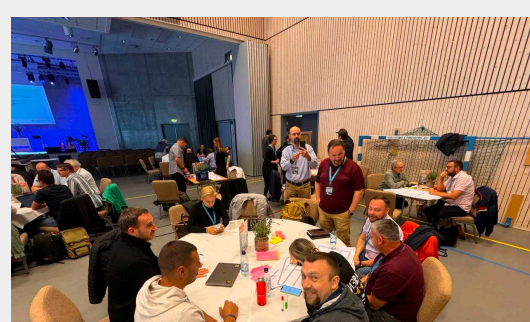

- 1. Inspiring speeches and testimonies:** We were blessed to hear amazing testimonies of God's work from Christian leaders who shared their experiences and visions. These stories inspired us to new endeavors in our ministry.
- 2. Deep learning and mentorship:** The seminars and workshops provided participants with important knowledge and skills that will help us in our common mission of multiplying new churches. We left the conference enriched with new ideas and strategies.
- 3. Spiritual unity and prayer:** Joint prayers and worship filled our hearts with joy and peace, strengthening our unity and faith. We felt the powerful presence of God and renewal in our spirit.
- 4. New connections and partnerships:** The conference became a platform for creating new friendships and strengthening existing partnerships. We are confident that these connections will bear abundant fruit for God's Kingdom in the future.

We are so grateful to God that you are part of our prayer and financial support team, and that together we are participants in God's mission. We see how our joint efforts bear fruit and spread the light of Christ across Europe.

We believe that this conference is just the beginning of the great path that the Lord has prepared for us. Your dedication and faithfulness inspire us to move forward with confidence and hope for a great future. May the Lord abundantly bless you and your ministries, and may your faith continue to multiply and bring new souls to Him.

**Please pray :**

- 1. New Connections and Partnerships:** Pray that God blesses and strengthens the new relationships formed at the conference, so they bear abundant fruit for His Kingdom.
- 2. Wisdom and Guidance:** Pray for all participants to receive God's wisdom and guidance in using the knowledge and skills gained in their ministries.
- 3. Spiritual Renewal:** Pray that the Lord continues to renew and strengthen the spirits of all attendees, filling them with joy, peace, and readiness to serve.
- 4. Church Multiplication:** Pray for the continued multiplication of new churches across Europe, bringing salvation and hope to many.

**We are excited to share our family news with you,** and thank you for your prayers and support. May and early June have been a time of great blessings for us.

In early May we celebrated our Christian's fourth birthday. We can't even believe the time has passed so quickly. We fondly remember his birth in the midst of the 2020 lockdown, when the world was gripped by fear and the horrors of a Covid pandemic. He was a bright ray of hope and a blessing to us during that difficult time.

Our oldest son, David, successfully completed third grade, which also brings us great joy. This school year has been filled with many interesting events and challenges. We are proud of his curiosity and his desire to learn about the world.

Our youngest, Aaron, loves to explore everything around him, which sometimes leads to funny situations, such as when our neighbors have "new" things.

On a separate note, we want to share the joy of Eugenia's pregnancy. We know you are praying for her, and that gives us strength and confidence. Our fourth baby is due on June 23 and we are looking forward to it. Please continue to pray for our family, our children, and especially for Eugenia that the delivery will go well and without complications.

We are grateful to God for the opportunity to serve with you on the same team. Your support and prayers mean an incredible amount to us. We love you and appreciate each and every one of your prayers and kind words.
